**me**: mom
**me**: I have to prompt press to investigate jester and backtrace
**me**: they're working with the feds
**Karen**: Why are you tweeting your conversations to the public? It looks a little crazy?
**me**: but commit crimes
**me**: So we can partially derail the investigation
**Karen**: But why are you putting yourself in the position of getting in trouble?
**me**: I'm trying to get us all out of that position
**me**: I'll talk to you at greater length about it later
**Karen**: Going on about the daughter of your "ex" makes you sound immature.
**me**: momn
**me**: it doesn't
**me**: these people are threatening the loved ones of activists
**me**: and are contributing info to the FBI at same time
**me**: you don't have the information to assess this
**Karen**: You are making YOURSELF look dumb by calling people up at home.
